EXPERIENCE

U.S. News Reporter

August 2025 – Present

The Daily Mail

New York, NY

- Report, write and publish 4-6 stories daily across breaking news, crime, courts, politics, entertainment, human interest and trending national stories in a fast-paced newsroom.
- Pitch and develop original story ideas daily, researching timely angles and rapidly turning developing news into publishable stories.
- Conduct interviews with sources and newsmakers to secure original material, including exclusives with prominent political figures, social media creators and first-hand sources.
- Report in the field and inside courtrooms, gathering first-hand details and filing accurate, timely copy on deadline.
- Source and verify photographs, videos, social media posts and other digital assets to build compelling multimedia coverage.
- Publish top-performing articles that secure homepage banner placement and social media promotion, generating approximately 1 million views per week.

Reporter Intern

January 2025 – June 2025

The New York Post

New York, NY

- Wrote and published 10-12 articles per week for Decider, an entertainment and pop culture publication within The New York Post's digital network.
- Pitched stories daily and worked closely with editors and reporters to research, draft and publish timely, high-quality content.
- Crafted engaging digital content aligned with the publication's voice and audience, with top stories reaching more than 30,000 readers.
- Created content for digital and print publications, with work appearing in weekly print editions of the paper.

Production Intern

May 2025 – August 2025

FOX Sports

New York, NY

- Supported production teams on long-term editorial and production projects, collaborating closely with senior staff from development through completion.
- Assisted with talent-related projects, conducting research and helping organize materials to support producers and on-air talent.
- Researched sports stories, talent and emerging topics to inform production and editorial decisions.

Newsroom Production Intern

January 2025 – June 2025

NewsNation

New York, NY

- Served as a production assistant in a live newsroom and broadcast studio, collaborating with producers and reporters to develop and pitch story ideas, scripts and rundowns for live segments.
- Researched, fact-checked and prepared media content for daily news broadcasts, ensuring accuracy and relevance.
- Coordinated interviews with guests, organized schedules and supported newsroom production workflows for daily broadcasts.

Digital Publishing Intern

September 2024 – January 2025

WorldView Magazine, National Peace Corps Association

Washington, D.C.

- Edited and formatted articles for digital publication, ensuring clarity and alignment with editorial goals.
- Wrote and published articles in the print and digital Winter 2024 edition, with outreach to over 80,000 readers.
- Conducted in-depth interviews with Peace Corps Volunteers to strengthen storytelling and content accuracy.
